

Getting to the Conference

Airport Transportation: Delta is offering a 5% discount on your air travel to San Diego. To take advantage of this discount, please contact Terri at Acendas Travel at 913-671-8580, ext 333. If Terri is unavailable, you may ask for the first available representative and just let them know that you are traveling with the APFED group. If your preferred airline is not Delta, you may still call Acendas Travel and they can assist you in getting the lowest possible rates on your flight to San Diego, regardless of airline.

Ground Transportation: Complimentary airport shuttle runs every 30 - 35 minutes from Terminals 1 and 2 at the San Diego International Airport between the hours of 5:00am and 12am. From the Commuter Terminal or transportation outside of these hours, please contact the Hotel directly for pick-up at 619-291-2900.

The Hotel shuttles are grey, blue and white and will pick up from the courtesy shuttle stand.
